

## ELECTRICAL ESTIMATOR ROLE

Are you an electrician looking to move off the tools, or an experienced estimator looking for a change this year? Maybe you are looking to move out of the Auckland rat race for a better lifestyle by the beach?

Davco Electrical are looking for an electrical estimator to fill an exciting new role within our existing team. We work across all sectors and all types of electrical work, from residential to industrial. Training can be provided for the right candidate, and experience in the electrical industry is a must.

We are keen to meet you, if this sounds like the kind of thing you are looking for.

### Qualifications & experience

- Previous experience in an estimating, quoting role preferred
- Excellent problem-solving skills
- Organised, with a keen attention to detail
- Project administration
- Relationship management
- An ability and desire to learn
- Good communication skills
- Proficient with technology
- Self-motivated
- Able to work both individually and as part of a team
- Electrical experience (advantageous)

### Tasks & responsibilities

- To carry out all estimating work – across a variety of electrical sectors
- Project administration
- Managing progress claims
- Site visits
- Relationship management – building rapport with new and existing clients
- Liaising with clients and suppliers for material costs and procurement
- Creating SOP for project-based work
- Lead generation for new business
- Reporting to management on budgets and targets

Davco Electrical are a well-established business, based in Warkworth but with a huge variety of work in the greater Auckland region and beyond. You will have the opportunity to work with a large, friendly team of very experienced and dedicated electricians, and progress your career. There is plenty of room for growth and development.

Benefits include: Laptop, Uniform, PPE, phone, some flexibility to work remotely
